did the melina manifesto (doc he wrote for his therapist which contained the eepy meme) ever leak? can't find it in the thread.

Miraculously, no. Apparently he sent it to at least 8 people and (iirc) someone has offered to send JSTLK it, but he said no.

@KiwiFarmsDotNet

The surge of traffic to the Kiwi Farms related to Destiny's blowjob video has caused a fatal database error and I will need to do a rollback to a recent backup.
